It's been a busy few months at [Dream On Aboriginal Arts](#), I was lucky enough to display my artwork at St Andrews Primary school NAIDOC week celebrations and do some [art classes](#) with their very talented students.

We have also been supporting two local fundraisers, Team Lee which is raising funds for a local lady battling melanoma, we donated the painting One Nation to be auctioned at their upcoming benefit night and the Botany Rams who are fundraising for their football teams, we donated "The Campfire" which was auctioned off at the trivia night.

RECYCLED MATS!

I was asked to do two designs for Leslie Mariani who owns the company [Leave it to Leslie](#) which supplies unique resources to the child care industry.

My two designs starry starry night and the snake will be used on the [recycled mats](#) that Leslie produces. It's only early days in the production stage but we are very excited to see the finished product!

If you are looking for some great (and educational) resources for your kids then you really must check out www.leaveittoleslie.com.au – she has a great range of Aboriginal and Torres Strait Islander supplies too!

Amazing new painting in the works!

This is a rough design of a new painting I am working on.. it is yet to be named but as you can see it's a silhouette of a tree with a beautiful Aussie sunset in the background. Aren't the colours gorgeous!
