The Journey

It still continues to be crazy here at Dream On Aboriginal Arts...lot's and lot's of orders which of course we are very grateful for!

I haven't had a whole lot of time to design too much new artwork but my latest design "A winters morning" was a huge hit and we've had several orders come through for it..thankfully I love painting this one!!

UPDATE ON RECYCLED MATS!

Last week we were lucky enough to get a sneak preview at the first recycled mat that has been produced.

The snake has been made in black and white and black and red - looks amazing!! We can't wait to buy some for our house!!

If you haven't already please check out www.leaveittilesie.com - Leslie has a great range of supplies for kiddies and families.

Not just Aboriginal Arts!

When starting Dream On Aboriginal Arts my idea was to focus on Aboriginal Designs but I quickly started receiving requests for all sorts of designs! Don't let the name fool you - I will have a go at any design!!!!

Christmas Orders and Payment Plans

Christmas is FAST approaching and I already have several orders for gifts. I'd love to create something special for your loved one or just for you! We are now offering payment plans where a 20% deposit is payable on ordering with weekly or fortnightly installments until mid-december delivery. More information and an order form is attached to this email.

Botany Rams!

We have joined forces with the Botany Rams Football Club and are looking forward to supporting them with their fundraising. We are currently giving a percentage of proceeds to the club for every order placed by their members. Just remember to tell us you are from the club when ordering!!

Check out the clubs website at www.botanvrams.com
